

We are a company that is dedicated to developing and publishing high quality, innovative RPGs. Since our foundation, we have always aimed to put an even greater value on the user experience than on the technical aspects of the games we create. As a result, we were honored with numerous awards and nominations, both locally and internationally. We also aim to be a game development company that not only focuses on the current trend of western RPGs, but also endeavors to pursue the evolution of RPGs worldwide. To this end, we are currently developing a new IP, Tarnished, and are diligently implementing our brand-new vision into both actual game elements and VRMMO. If we can reach our goal, we will be able to create a world where you can create your own destiny, fight alongside your friends, and lead your party to a new adventure! Features Key:

An Extensive Story in which Myth and Fantasy Collide About an unknown age called the Dark Age, people called a Messiah rises wielding the magical power of the Elden Ring to attract them as followers. When the Messiah dies, his coffin is sealed and the ruler of the Lands Between is mysteriously stopped. Now, strange creatures start appearing, blood sacrifices fall by the wayside, and the Mystic City begins to change. Deep down, you must accept the bloodthirsty reality and fight against the Messiah to restore the order of the world. All the way to your own conclusion, you will witness a story that stands alone yet connects you to the world of mythology.

A Rich Job Creation System that Involves Dynamic Action and Exploration A job creation method in which you can create unique jobs for different times and places. From the weapons and the equipment that you receive from your loot to the quests that you can accept, there are job creations in all fields. You can freely change your job at any time. The range and power of the jobs will vary depending on the environments you go into. Use the jobs that best suits your mood to create an exciting adventure. You can completely change the setting and ambience with a variety of jobs.

Evocative World Design that Captivates with Depth The world has a vast variety of empty space and dense crowds. Its depth is unparalleled. The game world is an open environment, and it creates a certain level of tension.

A Dynamic online Mode in which you can directly connect to other players You can play the game online with up to eight players. If no one is on your custom list, you can still enjoy it as an isolated one-on-one battle.

The Sweeping Action of Tarnished Escape from the stronghold, enter the depths of the underworld, and attack the enemy from all directions. It is an action game with a rich sense of speed and a unique action that involves heavy weight and heavy attack.

An Action RPG style in which you connect to the online service to play with others Interact with others through the online service to find special quests, go into battle, and participate in events. Enjoy the thrill of speeding through the action while never losing the fun of an adventure. Only within the game can you customize and form your own party by forming your very own guild.

Elden Ring Crack + Free PC/Windows

"A Game that Meets Another Legend..." "I couldn't care less about the current MMO game craze, but I keep a long eye on the genre. I was caught up in the hype when I first heard the news of the new Elden Ring Crack Free Download game, and I feel like I was finally able to get a glimpse of the other side of the genre. There are things that make this game unique, and there are others that are similar to many other games, but when all is said and done, it manages to be an ambitious game, and I am certain to see it come to fruition someday. The feel of RPG games has changed dramatically in the past two years, and I'm excited to see this game take shape." "The Darkness On The Lands Between." "Tarnished takes us back to the RPG games' golden age. It welcomes us to a vast world where we can freely explore new and intriguing locations. The game's story is a progressive tale that is told in a unique way, and it has everything to be a truly memorable game. It might be a bit repetitive to some players, but when compared to the contemporary RPGs, it is definitely a pleasant change." "Rise, Tarnished, and Become an Elden Lord." "I am really impressed with Tarnished. The graphics are sharp, and the game's fantasy universe is simply amazing. The story is full of new perspectives, and the game is full of opportunities to expand upon the lore. This is definitely a game I will keep close attention to because there are many high-quality elements in the game that have not been seen in a while. The game's fantasy world is a true land of fantasy, and the whole game feels new." "Adorned with Nobility." "One of the most powerful features of Tarnished is its online game. The game's content is full of all of the elements that are so characteristic of the RPG genre, and the game's story is full of incredible twists and turns. I feel like there's a nice balance between battles and conversations, and the story is really interesting. I also really like how the game is able to manage to cater to its players' preferences, especially with the monsters and bosses. With bff6bb2d33
